KOREA CHEM 2027

Int'l Exhibition for
Chemical Processing,
Fine & Speciality Chemicals

PERIOD

April 20^{Tue.} - 23^{Fri.} 2027

VENUE

KINTEX 1, KOREA

Why KOREA CHEM?

■ Meet the Right Industry Buyers

Connect with manufacturers, engineers and procurement professionals from chemicals, batteries, semiconductors, pharmaceuticals, cosmetics, coatings, recycling and advanced materials.

■ Showcase Technology Where Demand Is Growing

Present advanced process equipment, automation, materials and engineering solutions to Korea's high-growth manufacturing industries.

■ Generate Qualified Business Meetings

Meet R&D, production, engineering and purchasing teams actively evaluating new equipment, materials and technologies.

■ Build Long-Term Market Partnerships

Identify local distributors, engineering partners and project opportunities in Korea and across Asia.

YOUR GATEWAY TO KOREA'S ADVANCED MANUFACTURING MARKET

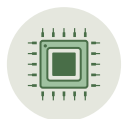

KOREA CHEM connects global process technology suppliers with Korea's key manufacturing industries, Creating new business opportunities in fast - growing industrial markets.

YOUR TECHNOLOGY, MULTIPLE INDUSTRIES

1) Battery & Energy Materials

- Slurry Processing
- Electrode Coating
- Drying Technologies
- Dust Collection
- Mixing and Material Handling Systems

2) Semiconductor Manufacturing

- Chemical Transfer Systems
- Ultra-Pure Water Treatment
- Precision Mixing Technologies
- High-Purity Fluid Control
- Process Monitoring Solutions

3) Pharmaceutical, Bio & Cosmetics

- Hygienic Process Equipment
- Sterilization and Cleanroom Technologies
- Material Transfer and Mixing Systems
- Quality Control and Process Validation Solutions

4) Coatings, Adhesives & Functional Materials

- Formulation and Dispersion Systems
- Functional Coating Technologies
- Particle Processing
- Advanced Materials Manufacturing

5) Recycling & Environmental Industries

- Crushing and Sorting Systems
- Dewatering and Separation Equipment
- Resource Recovery Solutions
- Environmental Control Technologies

CONFERENCE & SEMINAR

- MFDS Pharmaceutical & Bio-Pharma Policy Seminar
- Chemical Industry's Technology Seminar & Conference
- Exhibitor New Product / Technology Introduction Seminar
- Global Chemical Regulatory compliance Workshop

BUSINESS MATCHING SERVICE

Meet the Right Buyers. Build the Right Partnerships.

- Pre-arranged business meetings between exhibitors and key buyers
- Online meeting requests available one month before the exhibition
- Opportunities to connect with manufacturers, distributors and industry partners
